THE PROGRAMME

MSME-Development Institute, Solan organises a two days National Level Vendor Development Programme cum Industrial Exhibition at Baddi on 18th & 19th March 2010, in association with **Deptt. of Industries, Govt. of HP and Baddi, Brotiwala, Nalagarh Industries Association (BBNIA)**. The main purpose of the programme is to identify suitable items required by Large / Medium scale units of this region being procured from out of HP for development in micro, small and medium scale sector in the State of Himachal Pradesh.

Quality conscious SSI units desirous of joining hands in promoting self-reliance & becoming leading Vendors may also come forward by way of participation in Exhibition of their products and capabilities. The programme will provide a common platform to Micro, Small, Medium, Ancillary & Large industries. Buyer Organisations & Units may display their requirements & highlight their policies, products, purchase procedures, Schemes and assistance for overall industrialization and economic growth so that capable MSEs in the region may come forward to fulfill their requirement.

Around 25-30 Large & medium Scale Buyers are likely to display their requirements in the exhibition. There is a provision display by for 70 to 80 small scale units.

The programme also includes organizing various workshops, Buyers-Sellers meet & NSIC Business meet etc.

AIMS & OBJECTIVES:

- To develop SSI Vendors for Large & Medium Scale units in the Region.
- To develop match making ties between Buyers & Sellers.
- To provide opportunity to identify various potential products, vendors, marketing

sources, development and indigenisation wherever required.

- To highlight various purchase policies, procedures and schemes of purchasing organizations/ companies.

EXHIBITION:

- The product classification mainly will be as follows:
 - Automobile parts.
 - Fabricated items.
 - Cast & Forged items.
 - Mechanical items/Machined componets.
 - Sheet Metal parts
 - Chemical & Allied products.
 - Electrical & electronic products.
 - Rubber, Plastic, FRP products.
 - General Stores, Hardware and Misc. items.

The aim of exhibition is to select the items for manufacturing and supply, exhibit the capabilities of SSI sector and give exposure of the various industrial / business opportunities.

The exhibition will facilitate interaction between buyers and sellers, details of the products and information on the project/ machinery/financial involvement in developing the products.

Beside the exhibition, technical sessions on recent trends and tomorrow's challenges, buyers sellers meet, vendor registration etc. are also being organised on this occasion for transaction of ideas.
